

OUR COMMITMENT TO CUSTOMER  
**SAFETY**

**OUR BRANCH LOBBY IS CLOSED**

*to regular traffic; however, we would like to remind you that there are many additional ways to access your money.*

**OUR ATM, DRIVE-THRU,  
MOBILE, REMOTE,  
& ONLINE BANKING  
SERVICES  
ARE AVAILABLE.**

We are all working to respond calmly and effectively to the public health emergency before us, to safeguard our customers and employees while maintaining a safe, sound, and efficient bank to serve your needs.

In response to this emergency, North Carolina state banks have been authorized to take such measures necessary to protect their customers and employees from unnecessary exposure, including closure of lobbies to regular customer traffic.

Lumbree Guaranty Bank will continue to provide customer access to funds and services through alternative means of delivery, such as reliance upon drive-thru tellers, mobile, remote, and online banking. Those services normally requiring in-person customer interaction, such as safe deposit box access, should be handled on an appointment-only basis, using appropriate safeguards for customers and employees. Please call to make an appointment only if such service is needed.

Thank you for your cooperation.
